- **Build a fort**

- **Tumble like a pro**

NGTC is proud to bring you another night of FUN for your bundle of energy! Our Friday-night Parents Night Out is wildly successful. So much so that we've added another night, with a twist!

This time, it's the kids turn. Drop your kids off anytime after 5pm, and they can play and burn off energy until 9pm. And, unlike Parent's Night Out, we will even provide Pizza, a drink and a light snack!

Plus, coming soon, we will show a movie that each participant will have the option of watching, or not! It's just some down time if they want!

Perhaps best of all, it's earlier than the Friday Night Parent's Night Out, and an hour longer, giving parents a little extra time for taking in a night out, resting, or doing whatever they want!
